

How can we help?

A message from your local Church of England parish church

St Michael's church members would like to offer you their help as together we all face the considerable challenges brought by COVID-19.

Our team of volunteers can help you with

- Shopping
- Collecting medication
- Practical support
- A friendly phone call, or prayer

We can leave items on the doorstep to minimise any risk of infection.

If you think we might be able to help in this way, please contact us:

- on our dedicated mobiles 07496 049542 or 07377 222916 (lines open 9am – 6pm)
- or by emailing Sandy - ar.christie@outlook.com or Carolyn – carolyn@se3.org.uk

Good things could come out of this if we can gain a new sense of community, an awareness of our need for one another, and maybe even an understanding of God's presence with us in difficult times.

The Archbishops of Canterbury and York have called for a day of prayer this Sunday 22nd March (Mothering Sunday). The church will be open for private prayer and reflection between 10am and 12noon, and from 6.30pm to 7.30pm, and everyone is welcome. Future opening times will be on our website www.se3.org.uk

With our best wishes,

Sandy Christie (Vicar)
